'Committed to Inclusion, passionate about learning'

13th October 2023

Dear Uphall Family,

We are really looking forward to seeing all our families for parent consultation meetings next Thursday. This is a great opportunity for you to work in partnership with your child's class leader to ensure their learning journey this year can be as successful as possible. We always value the feedback of our families and ask families to complete our annual parent survey to continually support us in creating the very best learning environment for our children. There will also be a QR code by all classes, and we ask that you click on the link and complete our online parent survey. We encourage as many families as possible to take part.

Mental Health Day

On Tuesday, we saw our entire community shine bright in yellow for Mental Health Day. All children took part in assemblies to explore why mental health is so important for our health and wellbeing. We are so proud of our children in the continual way they are showing a greater awareness of the importance of our emotional health. We captured a few photos across the school of children marking the day. AS a school community we feel it is imperative that we provide a mentally healthy school for all children, staff and parents. If we do not feel happy and safe we cannot learn. We asked the children why they felt such a day was so important – we'll share their thoughts and feelings with you next week.

I hope you are looking forward to meeting with your child's class teacher on Thursday, 19th, Parent Consultation Day. Please don't forget that school will close at 1.40 pm on that day, and you will need to collect your child at that time.

Have a good weekend.

Dr. K. Atwal

Principal Learning Leader

The most important factor in survival is neither intelligence nor strength but adaptability.

ARTICLE OF THE WEEK

What are all the things that you need to survive and to develop?

Have a think and write down some answers.

Redbridge SSZ Round-up September

Uphall Primary School SSZ

The Uphall School Superzone celebration event took place on World Car Free Day, September 22nd and saw some of the Eco Warrior team from the school, accompanied by Elaine Taylor, try out the new pool bikes purchased for the school.

Deputy Mayor, Cllr Sajra Jamil, Cllr Fozzur Rahman and Cllr Jo Blackman came along to help the children celebrate their work and to talk with the children about the work they do in the Eco Warrior Team. The timing of the event also meant that Cllr Jamil could share the news of the successful Gold TfL STARS award to the school whilst she was there.

The Head Learning Leader from the school, Dr Atwal, also joined us to talk about other work the school is doing. Despite the SSZ work now being completed for Uphall, they

will remain engaged as we work on Cleveland Road's SSZ engagement, especially in relation to the proposed improvements at Uphall Rec.

General SSZ work

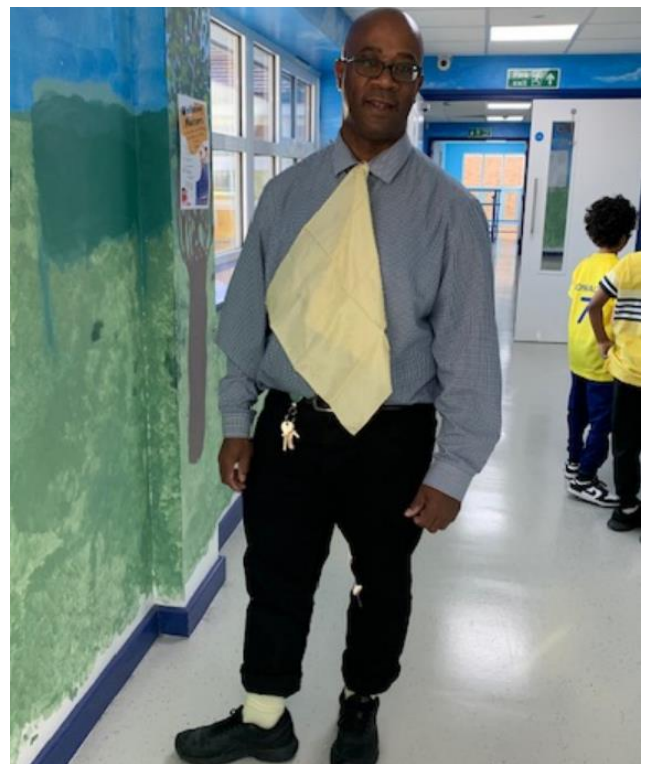

After initial engagement with various agencies over the summer, we are hoping to see some good collaboration with these teams and the school to help address some of the issues and improvements raised by the children. I look forward to Vision Redbridge engaging with the schools about plans to revamp Uphall Recreation Ground and the Health team working with children and families about healthy eating and exercise.

If you are working on projects or schemes that you would like to implement at the SSZ schools or if you would like to discuss the survey results and feedback in light of your own work around Ilford Lane and Loxford Ward, please get in touch.

We welcome continued collaboration, ideas and support from everyone in the area, so please reach out if you think you can offer anything to enhance the School Super Zone benefits for the children or local community. You can contact Fiona by email: Fiona@pwlcprompts.com

Uphall Hello Yellow Day pictures

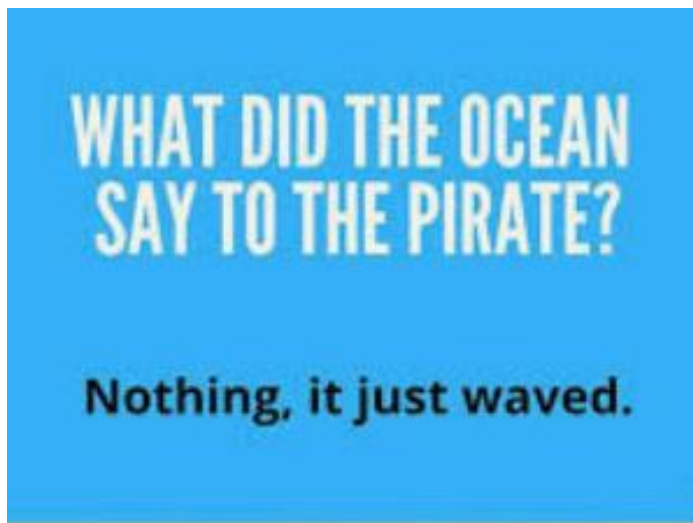

Please remember that the government expected level of attendance is 96%. The overall attendance level for last week was 92.68% - please help us to improve that by ensuring

that your child only stays at home if s/he is very unwell. A mild cough or cold is not a reason for them to stay at home. Please also ensure that your child arrives punctually in the mornings – school begins at 8.50 a.m., the gates close at 8.55, and if your child arrives after that time, they will be marked as late.

Nursery	96.63%
R Begum	94.56%
1 Khan	94.33%
2 Morgan	97.86%
3 Taylor	92.41%
4 Khanom	97.24%
5 Naicker	97.74%
6 Hera	98.26%
