Whole School Newsletter

'Committed to Inclusion, passionate about learning'

26th April 2024

Dear Uphall Family

I am very pleased to share that following our whole school engagement with attendance this year, attendance levels across the school continue to improve. This is pleasing and it is very important that we work together to maintain this improvement.

Our whole school attendance remains below our target of 96.7% for this year so we have to keep up this focus.

Thank you to you all for your support.

We celebrated Earth Day at the school this week and we are committed to ensuring that our children develop their knowledge and understanding of how to look after our planet.

We are a Unicef Rights Respecting School and, through the understanding of their rights as well as how to be good citizens, we will be reaccrediting our RRS Silver Award this term and I will keep you posted.

Dr. K. Atwal
Principal Leader of Learning

HEALTH, WATER, FOOD, ENVIRONMENT

Article 6 (life survival and development)

Every child has the right to life. Governments must do all they can to ensure that children survive and develop to their full potential.

Article 24 (health and health services)

Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy. Richer countries must help poorer countries achieve this.

EXPLORING EARTH DAY

What do you, your school and your family do that helps the environment and the planet?

Have a think and write down some answers.

We took part in wear your stripes to school day to support 'Brake the Kids Walk charity'!

Please remember that the government expected level of attendance is 96%. The overall attendance level for last week was 93.24%.

Please help us to improve that by ensuring that your child only stays at home if s/he is very unwell. A mild cough or cold is not a reason for them to stay at home. Please also ensure that your child arrives punctually in the mornings – school begins at 8.50 a.m., the gates close at 8.55, and if your child arrives after that time, they will be marked as late.

Nursery 30	95.19%
R Begum	95.79%
1 Jutla	98.00%
2 Williams	95.93%
3 Begum	98.08%
4 Khanom	94.33%
5 Licata	99.26%
6 Hera	98.15%

To all the children celebrating this week,
From 21st April to 27th April 2024

Have a great birthday!

Celebration
coming up?... Look no further!
