1<sup>st</sup> July 2024

Dear Families,

## **GENERAL ELECTION**

I am very sorry to let you know that we have been forced to close the school to the children on **THURSDAY 4<sup>TH</sup> JULY for the General Election.**

Despite our best efforts to enable only a 'part' of the school to be used as a polling station to allow our children to attend school, the Council have refused this request due to procedures that must be adhered to, along with the size of the local ward .

**The school will be CLOSED to the children Nursery, Yr 1- to Yr6.**

We have agreed that our Reception children will come to school as normal because they are going on a trip and we do not want them to miss it.

You now how much importance I place on school attendance and I can assure you that I've made every effort to ensure that the school would remain open.

I can only apologise for the inconvenience caused to you and your families.

Regards

Dr.K.Atwal  
Principal Learning Leader

**'Committed to Inclusion. Passionate about Learning'**

*We are committed to safeguarding and promoting the welfare of all children and staff and expect members of our school community to share this commitment.*
