The screenshot displays a Google Maps navigation interface. The starting point is Uphall Primary School, Uphall Rd, Ilford IG7 6JH. The destination is Stubbers Adventure Centre, Ockendon Rd, Rainham, Essex. The interface shows two route options:

- via A13**: 28 min, 12.9 miles. Fastest route, the usual traffic.
- via A13 and Warwick Ln**: 29 min, 11.6 miles.

A third route is shown on the map: a blue line route via Dagenham and Rainham, taking 29 min for 11.6 miles. A fourth route is shown as a light blue line via Hornchurch and Upminster, taking 48 min every 15 min.

The map includes various landmarks such as King George Hospital, Queen's Hospital, Romford, Hornchurch, Upminster, Rainham, Aveley, and Purfleet-on-Thames. The River Thames is also visible.

Facilities

Bathrooms: There is a shared toilet and shower block for all adventurers in our tented accommodations to utilise. There is a total of **8 toilets** and **8 showers** (split into 4 male and 4 female), alongside an access friendly bathroom (including shower and toilet) requiring a Radar key for entry. The toilet block also has a **separate shower for leaders**.

Bedding: Mattresses and base sheets are provided. Your group will need to **bring your own pillow, sleeping bag or duvet, towels**, and any additional bedding you desire.

- **Dining room:** Meals will be served in our dining marquee located a short walk from the camp field into the park grounds. All our visitors staying in our tented accommodations will use this space for meals, with each being given a timeslot to be seated.
- **Communal area:** Each tented village has their own large communal marquee which acts as a great space to use as a games room/meeting area for your group. With plenty of seating and being surrounded by green space these communal areas act as a fantastic space to unwind in after a day of adventure!

Camp map: here is a map graphic of the tented village, including Oak, Chestnut + Willow.

Tent layout: here is a layout of the bunkhouses in Oak, Chestnut + Willow. The layout is the same across all tent villages and bunkhouses.

Activities

30 different activities to
choose from

- **Meat – Due to our very diverse customer profile, all the meat served for residential meals is Halal, excluding the bacon which we will provide an alternative for when required. We have Halal certificates available on request.**
- • Diabetic/fat content/gluten free – can be provided on request. Our Food and Beverage manager has calculated the information for this which can be used as a guide only, with full responsibility for weighing and calculating carbohydrates/fats lying with the teacher or carer looking after the Adventurer. If you have an Adventurer with diabetes on your trip, please check with the team for any menu changes before insulin is administered. We have a first aid room very close to the dining room with sharps bins, that you are welcome to use to administer insulin injections.
- • All our Food and Beverage team have completed the Government food allergy training module and hold a level 2 food hygiene qualification or above.
